January 12, 2012

Attached is the Allen County Clerk of Courts' Annual Report for the Year 2011. As you take time to look through this report, take notice of the volume of documents that flows through our offices. Our Deputy Clerks manage a mountain of paperwork each and every day. These hard-working public servants strive to provide accurate, timely and courteous service to the legal community, auto dealers, other county entities and the general public.

You will also notice that the collections efforts of our Legal Department have allowed us to increase revenue (and, thus, our contribution to the Allen County General Fund) by more than \$50,000 over last year.

Though Title Department revenue decreased in 2011, we are hopeful that 2012 will bring with it prosperity and a better economic climate. For those who transact auto titles in our Title Department, we are most grateful. Thank you for investing in Allen County and being an important contributor to the local economy!

With the most recent budget cuts and implementation of new and upgraded software, you will see some changes in our Legal Department in 2012. As we strive for excellence, we continue to look for ways to improve our efficiency and better serve our customers.

If you should have any questions or comments, please feel free to contact me.

Respectfully,

Margie Murphy Miller
