Prospective Bidders of Truck Equipment and Installation
Allen County Engineer Lima, OH
Two (2) 2009 New International Single Axles Chassis

Letter of Clarification

To All Whom Are Bidding, May Bid, or Are Considering Bidding:

The said trucks which are to be considered for the installation of said equipment which are located at :

Buckeye Truck Center, Inc
2655 St. Johns Road
Lima, OH 45804

These trucks were equipped with a one hundred (100) gallon diesel fuel tank, fifty-seven (57) inches long. When this bid is awarded, they will have a seventy (70) gallon diesel fuel tank, thirty-nine (39) inches long mounted driver's side, directly behind the cab and as far forward as possible. This will be completed by Allen County.

This change of size and placement of the tank on the frame rail will be at no cost to any bidder.

Respectfully,

A handwritten signature in cursive script that reads "PJ Johnson".

PJ Johnson
Equipment Superintendent
