

ALLEN COUNTY DOG PARK RULES

- 1) All dogs must display current dog license and rabies vaccination tags secured on their collars at all times.
- 2) Dogs must be accompanied by an adult that will remain with their dog.
- 3) Dog owners are required to clean up all animal waste and repair any damage.
- 4) Owners should carry a leash with them at all times.
- 5) No more than 3 dogs per handler at any one time.
- 6) No human or pet food is allowed in the Dog Park area.
- 7) Bring your own disposable water bowl.
- 8) Dog must be leashed when entering and leaving the Park.
- 9) Dog aggression is strictly not tolerated. Acts of dog aggression shall be controlled by:
 - (a) putting the dog back on its leash and leaving
- 10) All dog bites or scratches shall be reported to staff immediately
- 11) Dogs with known history or continued acts of aggression shall not be permitted to use this facility.
- 12) Owners will not permit their dogs to bark continuously or frequently. It is unlawful for any dog owner to permit that animal to create a continued disturbance across a property boundary.
- 13) All female dogs shall not be in season and both males and females should be sterilized.
- 14) Children should be under direct supervision of their parents or guardians at all times.
- 15) It is unlawful to abandon any animal at any time.
- 16) No strollers, carriages, bicycles, scooters, skates, roller blades, or skateboards are permitted in the Dog Park.
- 17) Toys-please pick up any toys you bring or use, prior to leaving the park. They don't weather well after the lawn mower!
- 18) **Don't open both gates at the same time.**
- 19) Be Courteous and Responsible – YOU MUST BE THE ALPHA DOG!
- 20) Do not give out the door code to the park, if someone does not have it we do not have proof of vaccines, and your dog could possibly become ill
- 21) Pit Bull Breeds may need to be muzzled.
Walk your dog around the perimeter; this will give you an idea of how your dog feels about being exposed to other dogs. Give your dog time to adjust, limit your time in the park if your dog is frightened. Pay attention to your dog, watch his/her behavior towards other dogs and people.
- 22) If it is raining or the ground is wet please do not bring your dog to the park.
- 23) Please remember to keep your membership current by updating your vaccines, most vets will be happy to fax over a copy of vaccine info with your permission, Fax # 419-224-2954

**We hope you and your pet have fun and enjoy the park!
Open 12:00pm (Noon) to Dusk! – 7 days a week!**
